The Announcement to Mary

Luke 1:26–38

The Way God Works and the People He Uses

- God identifies with the humble people of this world, not the elites (1:26–27; cf. Luke 2:24)
- God's plan involves a unique birth and a unique Child who fulfills the covenant God made with David (1:34–37; 1:32–33; 2 Sam 7:8–16)
- Mary's response reveals the character God desires: availability and willingness to serve (1:38)

Putting it into Practice

- Accept that God works with anyone who is willing to be used by Him
- Embrace the attitude of a servant by being “FAT” (Faithful, Available, and Teachable)
- Trust God to help us overcome whatever limitations we may have
