

Luke

Jesus Heals a Leper

Luke 5:12-16

The Way Jesus Works

- Nothing will keep Jesus from accepting those who reach out to Him in faith (vv. 12–13)
- Jesus will not be the kind of Messiah that people expect (vv. 14–16; cf. Mark 10:45)

Putting it into Practice

- Whenever we struggle with feelings of guilt and shame, we find hope in Jesus' example (1 John 1:9)
- When we encounter those on the margins of society, we reach out as Jesus did (Luke 5:31-32)
- Knowing that Jesus only accepts those who come to Him in faith, we share the “good news” about Him wherever we can (John 14:6; Matt 28:19-20)

Putting it into Practice

- Knowing that there are many different notions of Jesus circulating, we commit to cultivate an accurate picture of who He is
