Mission, Jesus Style!

Luke 9:1-17

Mission, Jesus Style!

- When Jesus gives us a job to do, He also provides what we need to do it (vv. 1, 3; 13, 16–17)
- Our mission involves doing what Jesus did: proclaiming the gospel and performing deeds of compassionate service (vv. 2, 6, 12)
- There's no reason to take it personal when non-Christians reject Jesus (vv. 5, 7–9)

Putting it into Practice

- Act on what we know about God and His will and be willing to change as we learn more
- Engage, first, in compassionate service in order to “earn the right” to share the gospel (Matt 5:16)
- Make budget and schedule sacrifices in order to have opportunities to serve
