Learning from an Epic Fail

Luke 9:37–50

Four Christian “Epic Fails”

- We often work in our own strength, instead of in Jesus’ power (vv. 37–43)
- We often hold on to our cherished beliefs, instead of submitting to God’s will (vv. 43–45)
- We often work to achieve status and power, instead of seeking true greatness (vv. 46–48)
- We often exclude others from participation in Jesus’ mission, instead embracing them (vv. 49–50)
