

Luke

The Beelzebul Controversy

Luke 11:14-26

Evaluating Jesus' Ministry

- We often struggle to accept the reality of miracles brought about by the power of God (vv. 14-16)
- We often struggle to accept our responsibility to God's kingdom (vv. 17-23)
- We often struggle to accept our accountability to God in connection with His kingdom (vv. 24-26)

Putting it into Practice

- If you've not committed your life to Christ or are unsure about where you stand with Him...this passage demands careful consideration
- If you have committed your life to Christ...this passage demands that we get serious about it
