## The Cost of Discipleship

Luke 14:25-35

# Making Jesus the Priority

- “Being a disciple” = “being a Christian,” not “being an elite Christian” (v. 25)
- Being a disciple involves making our relationship with Jesus and our obedience to His Word our priority (vv. 26–27)
- Being a disciple involves a carefully considered commitment (vv. 28–33)
- Failure to be a disciple results in tragic waste (vv. 34–35)
